Gloria,

I have just been at a loss over the last month to know who and when I can talk to anyone about Arroyo Terminals based on this indictment against me.

My Attorneys said I couldn't talk to anyone who could be a potential witness or have material facts.

At least today I'm in Brownsville and meeting directly with my attorneys and the prosecution Attorneys.

From the meetings today, I hope I'll have someone clear directions what I can do.

I've told them I need to get with you to complete the financials so I can get my personal taxes filed.

I also assume a lot of the records you have will be very useful to my defense.

Hopefully, if I can get that cleared we could maybe get together later this week while I'm down here.

Hope is all going well with you and family,

Thanks,

James
